Sub. : Digital India Week – 2023 in Schools and Colleges
(Preparations and Action Plan)

R Sir/Madam,

The upcoming **Digital India Week 2023** is tentatively scheduled to take place **25th – 31st July 2023**. This event aims to celebrate the digital initiatives and achievements made under the **Digital India** campaign and foster a digitally empowered society.

To ensure maximum participation and engagement from Colleges, we may encourage staff and students from various branches to register for **Digital India Week 2023** by visiting [<https://www.nic.in/diw2023-req/>]. Also same may also be communicated on College **WhatsApp Group** for registration by Staff and students. This will ensure latest event updates and necessary information for their active involvement. Also banner may also be put on your web site with hyper link to <https://www.nic.in/diw2023-req/>

During the inauguration of **Digital India Week**, the Hon'ble Prime Minister would grace the occasion. For the inaugural event, it is requested to give directions to concern to make arrangements at Schools/College(s) under your control to showcase the LIVE telecast or Webcast of the Prime Minister's address and promote the event for maximum participation. Local Auditoriums in Schools/Colleges, etc. may be used. This will set the tone for the entire event and will serve as a platform to showcase the remarkable digital initiatives undertaken. A letter in this regard is being sent separately to CS/ State IT Secretary from NeGD. Copy of the same would be shared with you.

From day 2 onwards you may conduct various physical sessions to showcase various **Digital** initiatives/ achievements taken by Government for Schools and Colleges.

Submitting for your information please.
